**REWARD**

**\$10**

**Per Pair**

## ***Strut-Plus***

### Includes:

- KYB Strut Mount
- Bearing & Plate
- Upper Insulator
- Jounce Bumper
- Protective Boot
- KYB Coil Spring
- Lower Insulator
- **KYB Excel-G™ Strut**

## ***KYB Strut-Plus***

is the highest quality strut  
assembly available in the  
world!

### ***Here's Why:***

- KYB is one of the world's largest suppliers of shocks & struts to the OEM vehicle manufacturers.
- KYB quality is unsurpassed due to the use of their OE standards for the aftermarket.

### **Designed Performance is Critical**

*It's also not a guessing game.* Spring rates are often left & right specific; ride height differences affect steering, handling and even headlamp aim; Incorrect spring designs cause side load and affect alignment; bearing plates affect steering performance and noise insulators affect motorist comfort.
