RELIANCE. TRUST. PERFORMANCE.

Hella Pagid Brake Systems is one of the leading providers of brakes in the independent aftermarket, offering an extensive range of products. Our parent company TMD Friction's experience in the development of original equipment brake pads dates right back to 1878, guaranteeing you the highest standards of quality, safety and comfort. This applies not only to PAGID's OE brake pads and linings but also to those from HELLA PAGID in the independent aftermarket. Over decades, numerous vehicle manufacturers have come to rely on PAGID's original equipment competence and consciously choose its first-class brake components. The unique OEM expertise of the PAGID brand is incorporated into each and every brake pad and brake lining from HELLA PAGID and illustrates the supplier's particular strength in the independent aftermarket.

**Simply order from Allied using our [WebShop](#) Online Ordering System.
You will be rebated at the conclusion of the program.**

All promotions are subject to change or modifications.

Monthly Gift Card Monetary Rebates will accrue and be issued at \$30 and above.

All WebShop promotions are capped, meaning they will end early if funds are exhausted.

GM ORIGINAL EQUIPMENT WATER PUMPS ACDELCO GOLD WATER PUMPS

YOUR REWARD CARD

REBATE

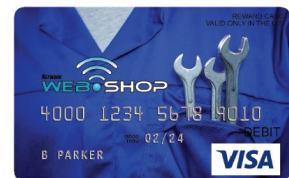

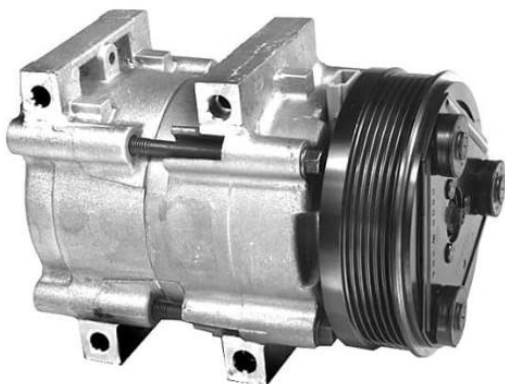

\$10.00 EACH

GM Genuine Parts and ACDelco Original Equipment are the true OE parts installed during production or validated by GM, for GM vehicles—designed, engineered, and tested to rigorous standards and backed by General Motors.

ACDelco Gold parts are the high-quality alternative to OE parts, manufactured to meet GM expectations for fit, form, and function. They are a quality high-value option for most makes and models, backed by General Motors.

GM GENUINE PARTS OE AC COMPRESSOR

YOUR REWARD CARD

REBATE

\$10.00 EACH

GM Genuine Parts Original Equipment AC Compressors pump refrigerant through the system and are GM-recommended replacements for your vehicle's original components. The original equipment AC compressors has been manufactured to fit specific GM vehicle, providing the same performance, durability, and service life you expect from General Motors. Some GM Genuine Parts may have formerly appeared as ACDelco Original Equipment (OE).

GM GENUINE PARTS OE BRAKE ROTOR

- Integrally molded – friction material molded to backing plate for bond integrity
- Premium shims, slots, and chamfers help to diminish noise, vibration, and braking harshness
- GM-recommended replacement part for your GM vehicle's original factory component
- Designed, engineered, and tested to rigorous standards, and backed by General Motors

- Made with Ferritic Nitro-Carburizing technology are hardened and strengthened during an extended manufacturing process.
- The cast iron rotor surface is bonded with nitrogen atoms under the intense heat of a giant, 1,040-degree oven. The additional atom layer provides an extra defensive barrier against the corrosive threat of water, salt, and even acid rain.
- Inspected for balance, helping with smooth brake operation and noise level
- GM-recommended replacement part for your GM Vehicle's original factory component
- Offering the quality, reliability, and durability of GM OE
- Designed, engineered, and tested to rigorous standards, and are backed by General Motors

089 series™

OE Branded Brakes

Unlike the competition, Beck/Arnley sources OE brake pads from OE approved suppliers. Other sources may offer similar brands but no one has specified the OE approved supplier at the application level like Beck/Arnley. No one else in the industry offers a superior program like this!

5 TOP 5
PRODUCT

ABOUT THE 089 SERIES

- Covers over 7,090 applications in this category
- Focus on applications from 1995 to 2015
- All parts are from approved OE suppliers
- Continually expanding coverage to include other OE brands for Asian and European applications
- Used by professional technicians throughout the automotive industry
- Pads are in original packaging with a Beck/Arnley label
