- **Assembled in USA** – both our new and remanufactured modules are assembled in our state-of-the-art facility in the United States
- **Improved components** – thicker PCBs and upgraded electronics improve durability and provide superior stopping performance
- **Thoroughly validated** – all modules undergo certification to Federal Motor Vehicle Safety Standards FMVSS135 7.6 for faster stopping performance

Limited lifetime warranty

ABS Modules:

Whenever you need to replace an ABS module, Dorman has the best of both worlds: reliable remanufactured solutions that restore performance for lower cost, and brand new modules with upgraded electronics for greater durability than original equipment.

3pc Dead Blow Hammer set

FEATURES

Set includes 12-oz. brass hammer, 16-oz. ball-peen hammer, and 8-oz. dead blow hammer

All three hammers' steel shot filled canister creates a dead blow effect; maximizes force, reduces rebound, and absorbs the shock of impact

The non-sparking, chemical resistant molded urethane covering is bright orange for high visibility and safety

The 12-ounce brass plated cap hammer can be used for non-sparking applications

The 16-ounce hammer's steel face and peen allow for conventional use in striking punches and chisels as well as shaping and straightening unhardened metals

The 8-ounce urethane coated hammer is used for non-marring / non-sparking applications

CABIN AIR FILTERS BY PREMIUM GUARD

Add the top 20 Parts Plus Cabin Air Filters to your inventory, and you will receive this Clay Millican Top Fuel Dragster Die Cast No Charge.

While supplies last. Inventory can be tailored. Subject to change.
