SERPENTINE KITS

REWARDS CARD

REBATES

\$5.00 EACH KIT

LIFETIME MANUFACTURER WARRANTY

Gates Complete Serpentine Kits come with lifetime warranty coverage on **PARTS AND LABOR** when the kit is installed by a registered shop.* Providing the Gates For Life peace of mind for technicians, service advisers, shop owners and customers means results, returns and rewards worth a lifetime.

BE SYSTEM SMART WITH ACCESSORY BELT DRIVE RESTORATION

To ensure proper ABDS repair, it's not enough to simply replace the serpentine belt. IT'S RARELY JUST THE BELT!

All parts in a system are engineered to work in concert and wear at the same rate. A flawless operation of a car's accessory belt drive system depends not only on the belt, but also on related components operating as a system. Failure of any individual component can lead to system breakdown and costly repairs. Be System Smart and complete a full repair by replacing all components at the same time using a Gates® Complete™ Serpentine Kit. Belts and tensioners were designed as a system and should be replaced together. Belt tension is critical for the correct operation of the accessory belt drive system.

**Simply order from Allied using our [WebShop Online Ordering System](#).
You will be rebated at the conclusion of the program.**

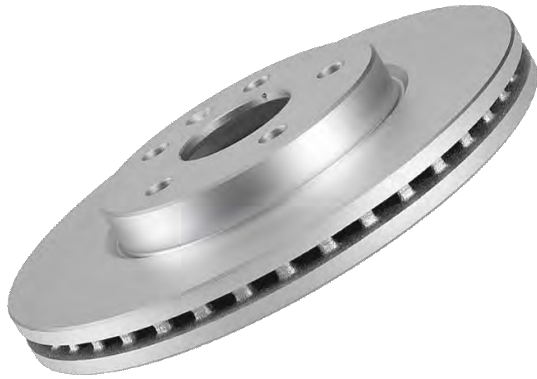

All promotions are subject to change or modifications.

Monthly Gift Card Monetary Rebates will accrue and be issued at \$30 and above.

All WebShop promotions are capped, meaning they will end early if funds are exhausted.

BOSCH

QuietCast™ Premium Disc Brake Rotors

- Bosch OE heritage: 77 years of OE braking excellence promises the highest quality performance as well as industry-leading strength and durability
- 100% Precision balanced: Ensures smooth operation and minimizes pedal pulsation
- Heat flowed castings: Promotes consistent wear for quiet operation and long life of the product
- ABS (Anti-lock Braking System) sensor rings: Allows for trouble-free operation of ABS/TCS on ABS/TCS equipped vehicles

QuietCast™ Premium Disc Brake Pads

- Bosch OE heritage: 77 years of OE braking excellence promises the highest quality performance, industry-leading strength and durability, and exclusive innovations including Molded Shim Technology (MST)
- OE style rubber core shim: The industry's best pre-attached multilayer shims ensure the highest quality of bonding between rubber and steel, resulting in lower noise, increased strength, and corrosion resistance
- Friction material: Rigorously formulated and tested by Bosch's engineers, the friction material in the QuietCast line are meticulously engineered to achieve superior performance
- Powder-coated backing plate: Prevents rust and corrosion for increased product life of the brake pad

Bosch Euroline Brake Pads

- ECE-R 90 certified - meets and exceeds R 90 standards
- Bosch OE heritage: 77 years of OE braking excellence promises the highest quality performance combined with industry-leading strength and durability
- OE style configuration: From steel to shim, EuroLine brake pads are provide an OE match in design, fit, and feel for the most popular European vehicles
- Friction material: Rigorously formulated and tested by Bosch's engineers, the friction material in the EuroLine is vehicle specific to ensure consistent and durable braking performance
- Shim design: Similar to OE, EuroLine shims are thermo-bonded and wrap around the pad when applicable

BOSCH

Bosch Brake Shoes

- Bosch OE heritage: 77 years of OE braking excellence promises the highest quality performance as well as industry-leading strength and durability
- Friction material: Rigorously formulated and tested by Bosch's engineers, 100% asbestos-free friction material is meticulously engineered to achieve superior performance and safety
- Inclusive hardware: Pins and levers are included (where applicable) for easier installation
- OEM style configuration: Bonded and riveted coverage provided to match the OE method of attachment on most domestic and commercial applications
- Protective coating: Prevents rust and corrosion for extended product life and durability

Bosch Brake Fluid

#ESI6-32N

- High compatibility. Use with or direct replacement for DOT 3, DOT 4, and DOT 5.1 brake fluid.
- Extended Service Interval (ESI): Lasts 100% longer than DOT 3, 50% longer than DOT 4, and 10% longer than DOT 5.1.
- Exceeds all DOT 3, DOT 4, and DOT 5.1 standards.
- Wet boiling point ~ 365°F / Viscosity at -40 °C ~ 670mm²/s

REWARDS CARD REBATES

\$5.00 EACH PAD SET

\$5.00 EACH BRAKE ROTOR (\$10/PAIR)

\$2.00 EACH BRAKE SHOE SET

\$1.00 EACH QUART OF BRAKE FLUID

FOURSEASONS®

Quality, Coverage, Service

REWARDS CARD REBATES
\$4.00 EACH SERVICE KIT

A/C Compressor Replacement Service Kit

- Designed and manufactured to exact specifications for proper fit and function.
- All required gaskets and seals are included
- Includes O.E. specified system lubricant
- Precision machined fittings and connection to insure system sealing
- All components are designed to meet or exceed O.E. specifications

REWARDS CARD REBATES
\$4.00 EACH DESLUGGER

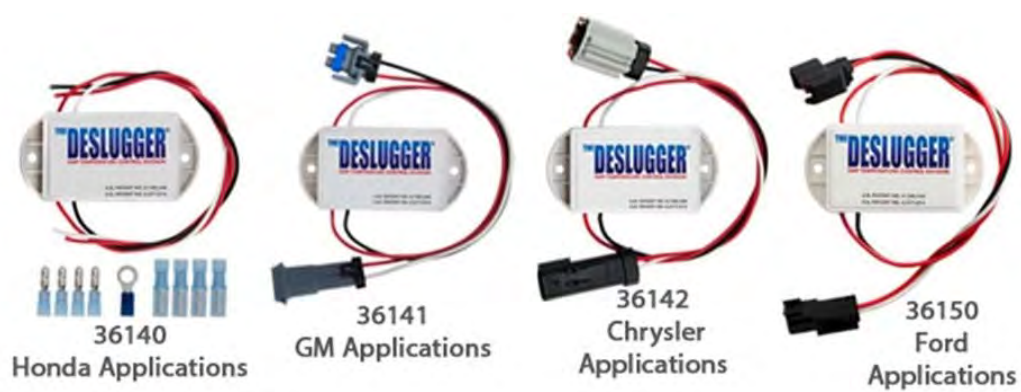

FOURSEASONS®

Quality, Coverage, Service

The Deslugger

The Deslugger is a patented compressor clutch timer that is designed to help prevent “slugging” in low mounted compressors after the vehicle has been sitting idle for over 30 minutes or longer. Upon the next start up, The Deslugger is designed to gradually push oil or liquid refrigerant out of the compressor before it fully engages, relieving the possibility of a catastrophic system failure.

**AUTODIAGNOS™
TPMS SE TOOL BUNDLE**
#2910002560200

\$599

- Includes 12 REDI-Sensors
- Triggers, diagnoses, and reads 100% of OE and aftermarket passenger vehicle sensors
- Relearn coverage for 98.6% of domestic, Asian and European passenger vehicles
- 5 years of free updates
- 3 Year Warranty

**AUTODIAGNOS™
TPMS D TOOL BUNDLE**
#2910002560100

\$1,249

- Includes 24 REDI-Sensors
- Triggers, diagnoses, and reads 100% of OE and aftermarket passenger vehicle sensors
- Configure sensors by create, copy, copy by set and copy by OBD-II
- Complete TPMS diagnostics - read and clear codes
- OBD-II mode relearns sensors in under 2 minutes
- Barcode scanner for VIN detection
- 5 years of free updates
- 3 Year Warranty

Exhaust Manifold Kits

REWARDS CARD

REBATES

\$5.00 EACH UNIT

- Ideal replacement - Dorman exhaust manifolds are precision-engineered and durably manufactured to match the fit and function of the stock manifold on specified vehicles
- Reliable construction - durable materials resist warping, cracking and leaking for long-lasting performance
- Complete repair - includes all necessary gaskets and downpipe hardware
- Trustworthy design - built by industry leader in aftermarket manifolds

Thanks to its OE expertise and innovations in the technological features, Valeo meets car makers' requirements. Valeo compressors has an optimized design: a high quality finish and a precise selection of all components, especially for the valves, bearings, pistons, swash plates and clutches, guaranteeing high reliability and enhanced performance. Valeo strives to reduce noise and vibrations level for greater driver comfort.

REWARDS CARD REBATES

\$2.50 EACH

The Delphi Difference

IGNITION COILS

- OE-engineered for efficiency and a streamlined path to spark plug
- Specially designed to reduce shorts inside the ignition coil
- Smart manufacturing controls wire lengths, keeps voltage the same
- High quality wire coating resists imperfections that lead to failure
- Delphi pencil coils use new OE technology to deliver total control

NGK **NTK**
SPARK PLUGS TECHNICAL CERAMICS
NGK SPARK PLUG CO., LTD.

REWARDS CARD REBATES

\$2.00 EACH

THE NTK DIFFERENCE

IGNITION COILS

All NGK ignition coils must pass extensive testing procedures and quality checks through-out the manufacturing process to ensure fit and performance.

- Validation lab certified to ISO17025 to maintain calibration standards
- Electromagnetic interference testing to confirm that the coil does not interfere with other vehicle parts
- Mechanical vibration testing
- Accelerated life testing at higher voltages and frequencies to identify and correct failure points

KOOLER KLEEN™ Transmission Cooler & Line Flush with NEW 2-in-1 Fitting

Flushes out grease, dirt, sludge and metal shavings

- No water/soapy residue left to contaminate new automatic transmission fluid
- Prevents contamination of new or rebuilt units
- Prevents costly comebacks
- Formulated to not harm seals
- Contains no CFC's or chlorinated solvents
- OEM and large rebuilder approved
- Ideal for those that do not have a dedicated flushing machine
- Reduces warranty claims
- Essential for installers and others that ship out transmissions
- NEW 2-in-1 fitting eliminates the need to stock multiple cans and is more user friendly with a wider range of applications including CVT and DCT transmissions.
