JANUARY 2022

We are so lucky to have the most loyal and supporting business partners! Thank you for being with us through the whole year. Let's make the upcoming year even more successful, together! Happy New Year!

**Simply order from Allied using our [WebShop](#) Online Ordering System.
You will be rebated at the conclusion of the program.**

All promotions are subject to change or modifications.

Monthly Gift Card Monetary Rebates will accrue and be issued at \$30 and above.

All WebShop promotions are capped, meaning they will end early if funds are exhausted.

Rein Automotive now offers a select line of EUROPEAN WATER PUMPS. After consulting with industry experts, they discovered there was a need for a quality replacement solution in the market. That's why CRP Automotive partnered with DOLZ, a worldwide leader in water pumps, to bring you a water pump both you and your customers can have confidence in.

Dorman Loaded Knuckles

These Pre-Pressed Assemblies Will Change Your Business

It can take an entire day to replace a knuckle or press-in bearing. That's a lot of time to spend on a job that will tie up your lift for hours on end—and may not even be profitable at the end. Fortunately, Dorman loaded knuckles offer a faster, simpler fix.

Our pre-pressed, bolt-on assemblies are a true game-changer, empowering you to slash repair time, simplify scheduling, free up equipment, and delight customers with a much more inclusive solution.

Reduce repair time by up to 75%
